MEMORANDUM FOR: Deputy Director for Administration

STAT FROM:

[REDACTED]
Director of Communications

SUBJECT: Release of Banding Handbooks

STAT REFERENCES:

A. Letter from Defense Mapping Agency to [REDACTED] from Annette J. Krygiel, dated 23 September 1986, Subject: Request for Handbooks for Telecommunicators and Field Engineers

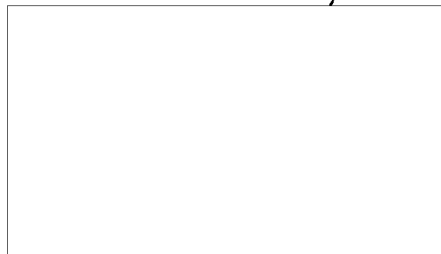

STAT B. [REDACTED]

1. As cited in Reference A (attached), the Defense Mapping Agency (DMA) has requested copies of the Handbook for Telecommunicators Panel D and Handbook for Field Engineers Panel N, from the Office of Communications, as a follow on to a briefing given their representative by Chief, Personnel Administration Group, Administrative Management Division. Both Handbooks are stamped Administrative Internal Use Only, but the information included in them is of an administrative nature, and would not, in our opinion, cause a security problem if released to another government agency.

2. Your approval is therefore requested, under the terms of Reference B, to release these Handbooks to DMA.
